AMEND Senate Bill No. 733*

House Bill No. 1428

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 68-102-143(b)(2), is amended by adding the following language, as appropriate:

Service Release Inspection based on service size

SECTION 2. Tennessee Code Annotated, Section 68-102-143, is amended by adding the following language as a new subsection:

(e)

(1) A service release inspection is temporary service to allow for testing of equipment, environmental conditioning and special operational equipment for construction. Such inspection is valid for a period of forty-five (45) days on designate circuits only. A service release inspection does not allow for occupancy of the structure.

(2) A service release inspection may be issued for purposes of installation and inspection of a heating, ventilation and air conditioning system (HVAC) for a manufactured home or modular building. An anchoring decal shall not be required for a service release inspection.

SECTION 3. This act shall take effect July 1, 2007, the public welfare requiring it.
